Subject: Notice of File Closure and Release of Reclamation Surety, Interpace Holdings LLC, Vernon Shale, S/045/0070, Tooele County, Utah

Dear Mr. Andrews:

The file for the referenced mine project will now be closed. The site was inspected on April 27, 2011, and it was determined that the site has not been disturbed. May 04, 2011, the Division of Oil, gas and Mining received concurrence from the BLM that they agree with the file closure and release of the surety. We are returning your original reclamation contract for your disposal or records.

You are hereby released by the Division from further reclamation responsibilities at these sites. If you wish to conduct any future mining or exploration related activity in this area, you will need to obtain approval from the Division and other appropriate agency(ies), and provide reclamation surety prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5261 or Leslie Heppler at (801) 538-5257. Thank you for your patience.

Sincerely,

Paul B. Baker  
Minerals Program Manager
